

A HOTEL THAT CREATES A SEASON OF TIME.

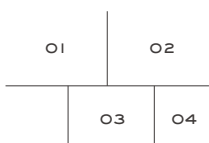

編織時間之宿

Kasho Gyoen is a ryokan of which grounds expanding to approximately 10000㎡ located in the abundant environment of the Shikotsu-Toya National Park and densely verdant with primeval forest. The unspoiled landscape of Hokkaido interwinds the well-matched natural environment which embodies the Japanese spirit to create a season of time that you can only experience here.

佳松御苑坐落於支笏洞爺湖國立公園內奧定山溪，佔地約 3000 平米，是未經人類開發的原始森林中的秘境。只有在這裡您才能享受到北海道原始的自然風景和日本之精神的完美結合所編織出來的寶貴時間。
